Legion Invites Public To Participate in Nov. 11 Observances

The Royal Canadian Legion Branch 271 St. Albert will parade on November 11, and conduct a memorial service in memory of the fallen Canadian soldiers, sailors and airmen who lost their lives in the four wars in which Canadians were called upon to take part in the preservation of freedom.

The community are invited to take part by congre-

gating at the cenotaph by 10:50 a.m. The parade of Legion members, components of the Navy, Army and Air Cadets, the Boy Scouts, and Service Clubs of St. Albert will assemble at the Grandin Shoppers Park North Side starting at 10:25 a.m. and will arrive at the cenotaph at 10:40 a.m. Vigil Guard will be posted and will comprise a member of

the Naval, Army and Air Cadets and RCMP.

A gun salute provided by the 20th Field Artillery will mark the beginning and end of the two minutes silence. A short service will be held followed by the laying of the wreaths by representatives of the community, government, service clubs, businesses and the veterans. A representative of the Silver Cross Mothers of Canada will lay a wreath on behalf of all mothers who lost sons in battle.

Private citizens wishing to lay wreaths to remember a member of their family may obtain one from the Legion.

After the ceremony the parade will move off for the March-past. The Reviewing Officer this year will be Lt/Col W. Ames, Commanding Officer, 20th Field Artillery Regiment. Accompanying him on the reviewing stand will be the Hon. Marcel Lambert, MLA Ernie Jamison, Mayor Ray Gibbon, Mrs. Maud Potter, Silver Cross Mother, and Legion President Doug Taylor. R.S.M. Jim Dobbie, Parade Marshal and former Legion president will lead the parade. Participants will assemble on dismissal at the Legion Hall for an open-house. Legion members and guests will attend the annual Armistice Banquet and Ball at the Club Mocambo starting at 6 p.m. The Hon. Marcel Lambert, is the invited guest speaker.

Town Blasts Outrage; Power Boost Opposed

Public complaints were heard by Town Council Monday night at the regular meeting, deploring Calgary Power's recent six-hour power interruption in the Forest Lawn area which blacked out an estimated 700 customers.

There are several points, which both the public and Town Council feel should not have happened in relation to this particular lengthy and untimely outage. Feelings are running high over the fact that Calgary Power chose to reroute its power line on Sunday, October 22, when the majority of complainants state that

Sunday is a family day "and a very poor day to spend it in a cold house with no cooking facilities and at a crucial point in the major baseball finals."

Another sensitive point in this issue is the fact that Calgary Power, being deluged with phone calls, chose to halt complaints "by leaving their telephone receiver off its cradle." This charge was checked out and found to be true and soundly deplored by both, Calgary Power customers and members of Town Council.

M. H. (Mac) Gerwing, manager of the Bank of Montreal here in St. Albert buys a poppy from Immediate Past President of the Royal Canadian Legion, Branch 271, Wally Swenarchuk of 7 Sonora Drive. The annual poppy drive is quickly coming to a close in view of Remembrance Day ceremonies scheduled for Saturday, Nov. 11th. Proudly wearing his Royal Canadian Legion beret, blazer and accessories, Mr. Swenarchuk also proudly displays six medals, from left to right: 1939-45 Star; France-Germany Star; Defence of Britain Medal; Canadian Volunteer Service Medal and Clasp; 1939-45 War Medal and the Canadian Armed Forces Decoration.

The turning of the sod ceremony, held Monday afternoon marked the official beginning of Sam Shapiro's \$1.5 million hotel on St. Albert Trail just South of the Imperial Oil service station at the corner of Ball Avenue. Officiating was Mayor Ray Gibbon of St. Albert seen above congratulating Mr. Shapiro. Left to right: Tony Hutton, architect, Gus Simonsmeier, secretary-treasurer Harsim Construction, the general contractor, Mr. Shapiro, Councillor John deBruijn, Mayor Gibbon, Councillor Rene Kambourff and Tom White, interested citizen.

Councillor Lukay Fails To Stall Money By-Law

Councillor Frank Lukay threatened to walk out of Council Chambers at Monday night's regular meeting, in an attempt to halt final readings to Bylaw #37/72, being a money bylaw covering a debenture loan application for the sanitary sewer system amounting to \$3,767 million.

Mr. Lukay was most emphatic in his quest to stall council from giving this bylaw further reading "until the public has had a chance to view this piece of legislation in its entirety." Mr. Lukay further said that Bylaw 37/72 should be advertised and public reaction received, "I make this statement in the form of a motion," Mr. Lukay added.

Opposition to Mr. Lukay's stand erupted right around the council table. Councillor

Bakker said that times was of the essence and the approved bylaw had to be in the hands of Central Housing and Mortgage by November 15. Councillor Kambourff said that in his opinion, the bylaw had been sufficiently aired and therefore he couldn't see any reason to delay the issue any further. Mayor Gibbon asked Councillor Lukay if he wanted to stall the approval of this bylaw and thus provoke a plebiscite? Councillor Lukay replied, "no, I have no such designs, but I do feel that the public should know that we are negotiating a loan which deals in millions of dollars."

"What would happen if I walked out of this chamber?" Councillor Lukay asked. Mayor Gibbon replied, "you are free to do so if you so desire." Councillor Lukay then inquired if he walked out, wouldn't that veto the issue? He interpreted the Act which states in part that two-third majority vote is required from council in the process of a second and third reading to a bylaw. Dan O'Connell, chief administrator qualified itself by spelling it out that the two-thirds vote required "was not necessarily of the total seven-member council."

At this juncture, Councillor Lukay saw the futility of his quest but maintained that a vote be taken on his amended motion. The motion was lost 6 - 1 with Councillor Lukay registering the sole

positive vote. Then the vote was called for second reading to Bylaw 37/72, it was carried by a vote of 6 - 1, so was third reading.

In an interview with Russ Bowen, secretary treasurer of the Town of St. Albert, the bylaw has been approved in principle by the Provincial Department of the Environment as well as from the Local Authorities Board Mr. Bowen added that the next step, now that the bylaw was given final reading, is to make application to Central Mortgage and Housing where the entire amount or part of it is anticipated as a debenture loan

Mrs. Pauline M. Fleck, a member of the Sturgeon General Hospital staff for over two years was appointed Director of Nursing effective Monday, Nov. 6. The former nursing co-ordinator replaces Miss B. B. Drury, whose resignation was accepted last week.

Few Stores Open Saturday

The stores in Grandin Shoppers Park Mall including Safeway, will be closed all day Saturday, Nov. 11th, Remembrance Day.

In the downtown section the following stores reported they will be open: Rae's Beauty Salon, Perrons Store, Katrina's Ladies and Childrens Wear, Imperial

Lumber, Chris's M & M Store and St. Albert Barber Shop.

Those that reported they will be closed are St. Albert Carpet & Decorating, Johnston's Meats, St. Albert Beauty Salon, St. Albert Baker, Royal Shoes, Reggie's Hardware and St. Albert Sports Shop.

Jamison Tables Tough Report on Censorship

The anxiously-awaited report from the Select Committee on Censorship Review was tabled in the Legislature Monday by chairman of the nine-man committee, Ernie Jamison, (PC) MLA-St. Albert.

The concise 10-page paper recommends that the onus be placed on the producers, distributors and exhibitors to comply with the obscenity laws of the land, and that the former three-man Censor Board be replaced with a new five-member Classification Board.

"In essence," Mr. Jamison says in his committee's report, "what we are saying is that the film and publishing industry cannot have their cake and eat it too." He adds that neither can the public. He says in his report that everybody must share with the Provincial Government, accountability for the direction today's so-

cietly is taking.

The Advisory Board on objectionable publications will be disbanded if the recommendation of the committee is accepted. His report states further study is needed on regulations governing the display and sale of the more salacious books, magazines and publications.

Mr. Jamison said in an interview "If these publications are available - even in 'adult only' sections of outlets, young people under 18 will in fact have access to them. In trash cans - in homes other than their own and so on. The province does not have jurisdiction over such sales - which also came under the obscenity laws in the Criminal Code," he concluded.

The more stringent recommendations tabled in the Censorship Paper came as a

bit of a surprise to members of the film industry who had expected relaxation of rules rather than being put in a direct position of responsibility in the case of infractions. In the number one recommendation, made by the Committee, it's spelled out very clearly there that the showing of objectionable films would be controlled by enforcement of the Criminal Code. This is the recommendation which provoked critical denunciation of the report by theatre operators in the province. One vocal opponent of the Select Committee's Report, Melvin Friedman, representing - Motion Picture Theatre Association of Alberta termed the paper as "utterly ridiculous."

On the other hand, Robertson-Wesley United Church study group, in a brief which favoured retaining censorship said, "We should not be entirely at the mercy of film producers whose main motive is financial."

Briefly, the structure of

the proposed authority on films will be a Classification Board, replacing the former Censor Board. This newly created authority, made up of five members, will neither out nor reject films but carefully review and classify all films before they're shown to the public. Another area where the Classification Board will play a major role is in reviewing all forms of advertising with substantial fines, recommended for infractions.

Coming under the heading of 'Rules' stringent regulations regarding advertising classification category are clearly spelled out in order to caution the viewer what to expect in a film. The four classifications recommended are: General, suitable for all audiences; Adult, 14 years and over; Restricted Adult, 18 years and over; Restricted Adult 'X', 18 years and over.

As previously indicated, the onus is on the exhibitors and the public, therefore,

it is recommended that admittance of a person to a film, contrary to its age stipulations will constitute an offence subject to a substantial fine to both, the exhibitor and the viewer.

The Committee states its philosophy clearly in the introduction of its report by acknowledging the very serious fact that almost every submission received wanted protection for young people against that which degrades and dehumanizes. Therefore the Committee reiterates its stand that the responsibility must fall on the parents and the public at large, by their own example to give guidance to our young people. The Government's responsibility is to set age regulations and to see that they are strictly enforced.

The nine-man Legislative Committee on Censorship was made up of: Ernie Jamison, chairman, Hon. Mervin Leitch, Attorney General, and MLA's Frank Appleby, John Ashton, Arthur Dixon, Alison Fluker, Doug Miller, Bill Purdy and Ralph Sorenson. This Committee received 88 submissions from individuals, 45 of these favored abolishing censorship while 41 favored retaining or tightening censorship. Submissions were also received from 13 groups, five favored abolishing censorship, six were in favor of retaining or tightening censorship while two groups simply expressed their concern with pornography.

Organizations, groups or individuals may receive a copy of the full report by writing - Ernie Jamison, Legislative Building, Edmonton, Alberta.

Farmers Awarded New Acres Quota

The deadline for producers to amend their assigned quota acres for 1972-73 has been extended to November 17, 1972 because of extraordinary harvesting conditions in some areas. The previous deadline announced by the Canadian Wheat Board was Oct. 31.

Due to extremely adverse harvesting conditions in portions of the designated area some producers have not to date been able to finalize quota acreage assignments for the delivery of grain.

To be eligible for this one general quota acreage change producers must not have made a previous general acreage change in this crop year.

Producers wishing to make such a change should apply to their elevator manager who will forward their application to the Canadian Wheat Board.

wrote a letter to Calgary Power Ltd., stating that the Town of St. Albert is disturbed with the extent of the power shut-off situation and the lack of telephone service during the period of interruption. Included in Mr. Lukay's motion is that a copy of the letter be sent to the Public Utilities Board.

Speaking against sending a copy of the letter to the P.U.B., Mayor Gibson said, "I'm opposed to that part of the motion because I was in contact with officials of Calgary Power and they promised in future, when major line switches have to be made, alternate lines will be provided whereby residents will no longer suffer such outages." The mayor proposed an amendment to Mr. Lukay's motion, which was defeated. The vote on the original motion was carried 5 - 1 with Mayor Gibson registering the opposing vote.

Later in the meeting, when a related Calgary Power Ltd. item on the agenda came up for discussion, one dealing with a notice of an application for a power rate increase which will come before the Public Utilities Board November 28, Council voted unanimously to register a protest against the proposed application.

Reasons cited to back council's opposition to a

Calgary Power rate increase application include that the power company has not made significant improvements in their grid in St. Albert over the many years they have been collecting more than adequate monthly revenues; council refutes Calgary Power's interest rate explanation along with that company's complaint regarding payment of taxes. Another point which was brought up was that Calgary Power did in fact obtain a substantial rate increase in the Swan Hills industrial area of the province and council feels a rate increase levied against home owners in St. Albert

is unjustified. Council gave instructions to staff to have all necessary submissions made in time for the November 28 Public Utilities Board hearing.

Town of St. Albert

INSPECTOR'S REPORT

The annual inspection has been made of the books and records of the Town of St. Albert with the following comments being submitted in connection therewith.

The minutes are prepared with a great amount of detail which makes provision for the continuity of the many business transactions being conducted by the Council.

The Council had passed a number of by-laws since the last inspection and except for one by-law requiring a minor amendment they were found to be in order and the necessary approval obtained from the proper authority when required.

The assessment and tax roll was examined and it was found that the roll contained all the essential information and that all postings on the roll were up to date.

The last tax sale held under The Tax Recovery Act was on November 24th, 1971.

The Water Supply Revenue Fund showed a deficit of \$6,342.32 while the General Revenue Fund showed a surplus of \$17,517.36 for the year 1971. The Water rates were revised for 1972 which should improve the revenue for the water supply system and provide a surplus in that department.

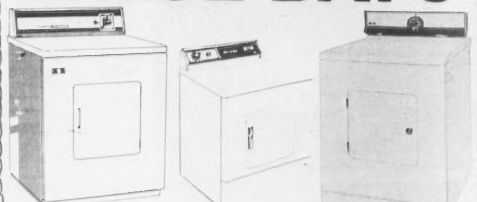

There were borrowings of \$150,000.00 during the current year, all of which had been repaid. At the time of the inspection the general revenue fund was overdrawn by the sum of \$20,531.06 but over and above this term deposits in the amount of \$1,200,000.00 were held by the Town.

With one-third of the school foundation requisition, one-half of the supplementary school requisitions as well as the Health Unit requisition and all of the Supplementary Hospital requisition paid, it would appear that the cash position is satisfactory.

It is a pleasure to report that the office administration is being carried out in an efficient and satisfactory manner.

Fish & Game To Host Hunter - Farmer Parley

The St. Albert Fish and Game Association will be holding a Farmer's Night, Nov. 14 in the St. Albert Community Hall at 8 p.m. where they hope to see many district farmers and citizens of the entire area. Purpose of the whole event is to promote a better understanding in the community between urban and rural residents.

"Relations between landowners and hunters," Mr. Walter Frank, chairman of the farmer-hunter relations committee of the Association said, "are at an all-time low, and this unfortunate situation must be corrected if we want to continue enjoying the sport of hunting."

Mr. Frank explained that it was the Fish and Game Association's intention to study the problem of farmer-hunter relations and come up with a solution. The Association extends a cordial welcome to everyone interested in the matters of law and order, hunter training programs, junior conservation training, junior forest wardens and so on. "Come along with a friend and bring us your ideas on the subjects," Mr. Frank urges.

Guest speaker will be

Lionel Dun, hunter training officer, who has a good talk on the subject and who is prepared to answer questions. Free coffee and donuts will be served immediately after the meeting.

Local Mother Wins "Shopping Spree"

On Saturday, October 28 at 9 p.m. Little Heidi Alther made the draw for the three minute Safeway Shopping Spree sponsored by the Kinettes Club of St. Albert.

The winner was Mrs. Joanne Gannon of Gordon Crescent.

On Wednesday afternoon, Nov. 1st the busy mother of nine children raced down the aisles, accompanied by a friend, Mrs. Clements, as a crowd of Safeway staff, shoppers, and Kinettes cheered her on. She said she felt she would have collected more if she had not done her regular grocery shopping last week but was pleased with her purchases (\$63.00 worth) and would "buy six tickets next year!"

The Kinettes wish to thank all the people who supported this project. The funds received will be used to further service work in the community.

Mrs. Eileen Clements volunteered to push the Safeway cart last Saturday while Mrs. Joanne Gannon (right) gathered groceries during the shopping spree, sponsored by the Kinettes Club of St. Albert. In the three-minute allotted Mrs. Gannon, winner of the Kinettes draw, she filled the Safeway basket with \$63.00 worth of groceries.

Wants By- Election

The Editor:

I read with interest the announcement of Mr. Rene Kambourff that he will be moving to British Columbia, and will therefore resign his post from St. Albert Town Council. According to your report, his resignation will be presented November 6, and will become effective November 13.

One question that comes immediately to mind is whether or not Mayor Ray Gibbon and his fellow councillors will decide to hold a byelection to fill the vacancy on town council. In my view, such a byelection should be held as soon as possible. There are too many important developments before council at this time to leave council standing at six members (including Mayor Gibbon) which thus exposes council and St. Albert citizens to the possibility of tie votes on such important matters. There is no guarantee that such would not

be the case.

In light of the recent federal election, I suppose we are all fed up with campaigns, door-to-door visits, forums et al. However this is not a valid reason for putting off a byelection. I feel such a byelection would also afford the council and town administration an excellent opportunity to seek citizens' guidance (by way of the ballot) on matters crucial to the direction that our town will be going over the next few years.

Some people may say that I should put my ballot box where my mouth is and run for council myself -- something I would love to do. Restrictions under the governing acts disqualify me this time around, however, consider this warning of my intention to serve as a "watchdog councillor" for the balance of this government term!

Dick Wilson.

Local Woman Enjoys European Holiday

Mrs. Kathleen Oddleifson returned Thursday from a vacation in Europe with her sister from Winnipeg. They flew in a 747 Jumbo Jet, via the Polar route, "quite an experience in itself," said Mrs. Oddleifson. Visiting in Rome, Florence, Munich, Amsterdam, Paris and London about five days in each city, Kathleen was impressed by the efficient public transportation.

The large cities she found terribly crowded and shopping in the stores on an ordinary Saturday was like Christmas shopping here, she said.

We really enjoyed all the cities tremendously, she said and I know now why

they call it "The Old World" - quite a difference in so many ways to Canadian centres - you really feel the "old" atmosphere.

Due to difficulties with connections Mrs. Oddleifson and her sister, on the way home, flew from New

York to Fairbanks to Seattle to Vancouver, where Kathleen was able to spend a day with her daughter, before coming home.

And despite a wonderful holiday, "it was really good to get home to Grosvenor Blvd. and the family."

Comets start strong with tie and win

St. Albert Comets got off to a great start last weekend in the Edmonton Central Hockey League. They came up with an opening game 1-1 tie with the Oilers on Friday and went on to score a close 4-3 win over Barrhead Sabres Sunday.

The Comets have added some fine new players to their line-up and should finish high in the standings. In the opener on Friday, Rich Perrault fired in a long slapshot from just inside the Leduc blue line to give Comets a 1-0 lead. Wally Monson picked up the assist at the 4:00 minute mark.

past two seasons Leduc has come up with eight wins in 10 games. Comet goaltender Zane Jacobus played a very strong game.

In Barrhead Sunday, Henry Hodgson scored at 13:50 of the third period to give the Comets a well deserved 4-3 win.

AL LAPLANTE

RICH PERRAULT

It didn't take Leduc long to tie the game as Dewey Bolkow scored from close-in at 5:35. Comets held a wide margin in play during the period.

In the second, Monson stole the puck from behind the Leduc net, and whirled around in front to slide a backhand under the sprawling Jim Combes, giving Comets a 2-1 lead. The unassisted goal came at 8:00.

Leduc banged in the tying goal at 6:25 of the final period on a shot from Gary McCooney.

Comets had many fine scoring opportunities in the final 10 minutes but couldn't find the range. Coach Gary Checknita was pleased with the team's performance against Leduc as the Oilers have usually had no troubles handling the Comets. In the

JIM READ

Comets Rich Perrault again opened the scoring at 13:20 of the first period, taking a pass from Doug Knisely. It was the only score of the opening period.

Barrhead tied the game at 4:10 of the second on a goal by John Tiemstra. At 9:45 of the second, old pro Jim Read scored a beautiful goal while the Comets were short-handed. Coach Checknita stole the puck from a

Barrhead forward, passed to Al Laplante who set up Read perfectly for the goal. When Read and Laplante are on, there probably is no better pair of scorers in the league.

The Sabres tied the score at 12:09 of the second on a goal by Gary Lott.

In the third period, Barrhead took the lead for the first time in the game, when Ted Tredget scored from close in. At 10:29 Jim Read pulled off another fine move to set up Checknita with the tying goal.

Three minutes later Henry Hodgson backhanded in the winner on a goal mouth scramble. Assists went to Captain Ted Rogers and Harvey Kirkland.

Bruins Lose Squeaker Strong Competitors

Two goals 28 seconds apart in the third period gave the U of A Bearcats a come-from-behind 4-3 win over the St. Albert Bruins, Saturday night at Varsity Arena. The loss was the third in as many games for the Bruins while the Bearcats are undefeated in five league contests in the newly formed Edmonton Metro Junior Hockey League.

Bruins goaltender Larry Wannagis received a penalty for holding the puck at 17:10 of the opening period, allowing John Devlin of the Bearcats to score on the power play. Bearcats dominated play in the period outskating the Bruins 14-3. Wannagis made some fine stops allowing U of A only one goal in the opening period.

At 4:52 of the second period, hard-working Darcy Brisson knocked in a loose puck in a goal-mouth scramble to give the Bruins a 1-1 tie. Greg Hatch assisted on the play. Rookie Craig Neeser with assists from Hatch and Doug Ferguson, scored a power-play goal at 9:05 to give the Bruins a 2-1 lead. U of A star Darcy Lukenchuk was off for elbowing at the time.

With only a minute left to play in the period, Bruins Marcel Tourangeau took a interference call allowing the Bearcats to put their power-play to use. They didn't make any mistakes and Randy Phillips scored to tie the game 2-2. Bearcats again held a 14-10 shots on goal margin but Bruins controlled the play. Both goaltenders came up with some good saves.

In the final period Doug

Fighting & rough play threaten to destroy basic Commercial League concept

With the first week of action now over in the six-team St. Albert Men's League it appears the original concept of the league has gone out the window. With the exception of a couple of teams, most clubs have strengthened their line-ups considerably with out-of-town players. The "play hockey for fun" idea appears to have been lost, when, in three of the four games tempers have flared, a couple of fights erupted and players were ejected from the game.

The league rules call for no bodychecking, but neither the Russians or Canadians throw any better in their series, than some in the first week of play in this league. The refereeing has also left a lot to be desired and league officials will have to clean it up soon.

Getting back to the action, last Wednesday Grandin Gulf scored a close 4-2 win over Premier Esso. B. Lauasseu scored two for Gulf with Peter Van Brabant and

Webb getting the others. Bill Clendenning and Calvin Swain scored for Premier.

St. Albert Pharmacy and Kinsmen Warlords looked horns Thursday, when the Pharmacy took an easy 6-1 win. Ole Jensen led the way in hitting and scoring with two goals while singles went to Dennis Gauthier, Dave Roberge, Dan Roberge and Guy Bougeois. Warlords goal came from Jamie Burton.

Monday night's actions saw the Kinsmen lose their second game by a 4-3 count to Premier Esso. Calvin Swain led Premier scorers with two goals while singles went to Brian Zamlsky and

Fergy Evans. Kinsmen marksmen were Tom White and Jamie Burton.

Bill Clendenning of Premier and Don Rivard of Kinsmen received fighting penalties in the second period. Hank Robinson of Premier was also ejected from the game in the final period being the third man joining a fight.

Next league games are: TONIGHT, WED, NOV. 8; Pharmacy vs. Power Kgs. THURSDAY, NOV. 9 -- Gulf vs Teachers.

MONDAY, NOV. 13; -- Pharmacy vs Teachers. WED, NOV. 15: Kinsmen vs. Gulf.

Badminton Club plans Invitational Tourney

Winners of this month's novelty doubles tournament, played Monday night were Beryl Harding and Tony Raven.

The club's annual invitational tournament will be held on the weekend of Nov. 18-19 at St. Albert High School gym. This is one of most popular events each year, drawing entries from many city clubs.

All persons wishing to enter should arrange their partners soon and phone entries to Sandy Warren at 599-4627 by Tuesday, Nov.

14th. A Coaches Clinic and a Players Clinic is being held at St. Joseph's High School in Edmonton, November 25 and 26, at a cost of \$3 per person, from 9 a.m. till 4 p.m. both days. Deadline for entries is November 17.

Club members are reminded that interclub play has started, and those wishing to be on either the B or C team should get their names on the ladder and challenge those above them. For further information, telephone 599-7313.

Children's Literature subject of speaker coming to Library

"Whole People - Girls Who Think and Act; Boys Who Feel and Care."

This will be the subject of a special talk for parents to be held in the library in conjunction with the pre-school story hours on Wednesday, November 15 from 2 to 3 p.m. and on Friday, November 17 from 10 - 11 a.m. Maureen Scobie from the Maureen Scobie Foundation will be giving this informal presentation. This Edmonton organization is

conducting this program on children's literature for libraries in the Edmonton area. All parents are welcome to attend as the program is not confined to parents of children.

Library plans many activities for Young Canada Book Week

Although circulation continues to increase, new books continue to pour in, and local classes continue to visit the library, plans are

underway for a week of special activities to celebrate Young Canada's Book Week from Wednesday, Nov. 15 to Nov. 22.

The variety of events will include a story writing contest, a story telling contest, a puppet show, a special

Kids & Parents to air views

Young people in their teens will get a chance to voice their opinions on what they would really like to do on Thursday, November 16.

A meeting is being called by the Recreation Department for 7:30 p.m. on that date in Sir George Simpson School, Grosvenor Blvd of young people AND THEIR PARENTS to discuss the formation of a club or organization which may help

to fill the "activity gap." At times it seems as if the teens themselves don't really know what they want to do. Well, let's talk about it, says Recreation Co-ordinator, Renee Laird. Basketball? Table tennis, anyone? Discussion groups? Drama? Chess? Music?

Most of these activities are already going on in the community. Perhaps there aren't enough of them; let's find out. Perhaps it won't be possible to fulfil all the "wants;" let's find out.

It is most important that parents as well as young people attend this meeting on the 16th - you ARE in-

terested in what your children do, aren't you? Accommodation is available in the schools under the terms of the Joint Use Agreement. This is subject to adequate supervision being provided so that support of the parents is essential.

In the meantime, phone Mr. or Mrs. Wright at 599-7572 in the evenings or the Department of Recreation at 590-6601 if you have any suggestions, ideas or enquiries. The views of both parents and young people will be very welcome.

Friday Pack Plans Cub Awards Program

The 4th St. Albert Cubs Friday night pack will hold its annual Awards Night on November 10, 1972 at 6:30 p.m. in the Albert Lacombe School gymnasium. Parents are invited to attend.

The new Cubs and Leaders will be invested during the Investment Ceremony segment of the program. The boys will have passed the Tenderpad Requirements - the Grand Howl, the Cub Promise and the Cub Law - and will receive their Tenderpad Badges and red and white neckerchiefs, red and white being the colors of the 4th St. Albert.

Following the Investment Ceremony, awards will be presented for achievements during the '71-72 season. Sixers and seconds will then be presented with their woggles.

Mr. Carl Gegodtka will provide an informative and entertaining demonstration on the art of fencing.

A social hour will follow.

TEACHERS INSTITUTE

Approximately 40 teachers from St. Albert, Sturgeon, Legal, and Morinville will be participating in an all-day workshop and institute on November 10 at the St. Albert High School. All schools in these areas will be closed for the day.

Sessions will be held in many different areas of the school program but the emphasis will be on Language Arts. Resource personnel from the U of A and the immediate School Districts will be making presentations and providing leadership throughout the day.

Marcel Lambert

District woman greatly enjoys English festival

Mrs. Maureen (Hill) Sammer of Fairhaven Park, MD Sturgeon, had a "fantastic" time when she visited the Guild Merchant in Preston, England during September. A real Prestonian, Maureen had also visited the last Guild in 1952.

Maureen Sammer with Proud Prestonian Pin and Guild medallion displayed on her collar.

The first Guild of which there is record was held in 1328, but it is believed that the festival may have originated six years earlier when Robert the Bruce in a marauding excursion south burned Preston down, after which a Guild was held "for the refreshment of the town." For 200 years Guilds were held at irregular intervals, but from 1542 they have been held every 20 years, save for one 10 year postponement due to World War Two.

Preston was a Royal-chartered borough and had a well established system of local government even before there was a parliament in Westminster. Prestonians, said this year's Guild Mayor, Fred Gray,

have a fine tradition of civic responsibility and honest dealing.

"That in part is what Preston Guild is about. It is the course of expressing in pageantry and festivity we join each other and our guests in enjoying the whole affair, that too is what the Guild is all about."

While Mrs. Sammer was there she had the honor to present to the Guild Mayor Alderman Fred Gray, and Mayoress Evelyn Gray, a set of gold cuff links with matching tie bar and a beautifully illustrated book on the early history of Canada, on behalf of Mayor Ivor Dent of Edmonton. Mayor Gray presented Mrs. Sammer with a Proud Prestonian official shield under charter, a silver medal, a new innovation to this year's Guild celebration and a souvenir book. Maureen wore Klondike attire in making the presentations for Mayor Dent, and the Guild Mayor has her Klondike garter as a souvenir.

She was enthusiastic about the change in Preston, which has a new underground shopping centre, new bus station and a beautiful Guild Hall. "And the hospitality of the people everywhere you go during Guild Week is unbelievable. A great many Prestonians from all over the world return for the Festival every 20 years.

Scrolls of Friendship establish world-wide links, have been widely circulated and signed, with comments by "exiled" Prestonians. These are left on display in various centres before returning to Preston, and one has been displayed in Edmonton City Hall.

There are processions of

churches, tradesmen, friendly societies and other - all with many gaily decorated floats and costumes. There are balls, garden parties, military tattoos, historical pageants, film festivals - an amazing variety of things to do and see - one after the other all week.

Mrs. Sammer was most disappointed in having to leave before the final day, when Vera Lynn was presenting a concert. During the war Maureen had been

a booking agent for Vera Lynn.

Transplanted to Edmonton she is still in the booking business with W. B. Agency in the Seven Seas Building, where she is agent for entertainer Denny Harwege (who backed up Vera Lynn during the war), and such popular local artists as Al Earl, Rollanda Lee, Brinkman Bros., and folksinger, Paul Hahn who has played in the Ian and Sylvia show in Toronto.

Annual PO Auction Gaining Popularity

How would you like to buy 75 used lighters? Or 96 used watches? Twenty-four pieces of chalk for pool cues? Assorted spark plugs? An Income Tax Act book? A barber set? Snowshoes? Or even Christmas decorations?

These were some of the items in the more than 1,000 parcels that were sold at last year's annual Canada Post Office Auction in Regina, Sask.

This is how the Post Office disposes of parcels and items which it cannot deliver -- sometimes because the address is incorrect or incomplete, and there is no return address. More often it is because the parcels are badly wrapped and items

break loose in the mail stream.

This year 1,152 unclaimed parcels will be auctioned off on November 8th in Montreal. "We have just about everything here," said a Post Office spokesman, "you name it, we've got it."

The sale can take one day or as many as three and every item has to be sold.

The money collected at the auction goes into postal revenue. Last year's gross amount was \$25,182, of which the auctioneer receives a percentage.

A large number of parcels have already been made up for next year's auction sale, the location of which has not yet been chosen.

CARD OF THANKS

We wish to extend a special thank you to the Sisters, patients, employees at the Home, members and our many friends and neighbors who helped in any way to make our Bazaar a success. Through your help and the generosity of the public, we are able to carry out our plans for assisting the Youville Home in the year ahead. This is our only fund-raising project each year and your assistance is indeed appreciated.

Around Town

Hector and Rose Perron are enjoying their new role as grandparents since the arrival of Jason Weir on October 1st. The wee fellow is the son of their daughter Simone and her husband David.

A number of the Single Parents in St. Albert took in the London Society's Halloween Dance, several in costumes and reported a thoroughly enjoyable evening. The group also enjoyed a visit to Fort Edmonton with their children recently. The group meets tonight in their new quarters at the Arts and Crafts Centre.

Sally Merchant, an interesting and entertaining speaker, will talk to the St. Albert Action Committee on Consumer Affairs at their November 28 meeting.

Sally is the Consumer Consultant for this area, with the Federal Department of Consumer and Corporate Affairs and she will describe how the department protects consumers. Following her talk questions from the audience will be answered. For information on the Action Committee phone Jo-Anne Symonds at 599-7847.

The St. Albert Library is one of the busiest places around town lately, with a speaker coming to talk to parents twice next week, a full seven-day program of activity in conjunction with Young Canada Book Week (see schedule elsewhere this issue) and a current display of Baha'i books and writing as presented by the local Spiritual Assembly of Baha'i. Good time to drop in and see some of the things librarian Don Mills and his staff and board are doing.

Art McCormack, manager of the St. Albert Curling Club says he has some fine entertainment lined up for the club's social Friday evening at the Friendly Giant Inn. Since he wouldn't elaborate further the curling fraternity will have to go along down to find out.

In the "Beefs" department we have two this week: an out-of-town woman shopper with small daughter, felt it was unfortunate that such a fine shopping mall did not have a public restroom; a local man was irritated that ice was not available for a local men's play for fun team - yet Edmonton Oldtimers had ice time in the St. Albert Arena, and on top of everything some of the local fellows had worked pretty hard as volunteers on the construction of the arena.

Readers are reminded of the deadline for petitions from proprietary electors in the matter of money by-laws authorizing Council to borrow by debenture funds for the construction of a tennis clubhouse, estimated

cost \$9,260. (Bylaw #46/72) and for the construction of an outdoor skating rink, estimated cost \$30,255. (Bylaw #46/72). Deadline is November 15, and separate petitions are required with respect to each bylaw.

We have been asked by St. Albert voters in the federal general election what were the totals recorded in the local polling divisions following the June, 1968 general election. For those of our readers who are interested in statistics, we have, printed below, 1968 St. Albert poll results along with last week's polling results:

The Breakfast Lions Club will launch its three-evening Birthday Calendar Drive, November 15, 16 and 17. Breakfast Lions Club President Stan Shottland said this drive will be concentrated on St. Albert home owners. Lions roaming throughout St. Albert in 'browsers' will call at every residence and offer the Birthday Calendar deal of \$2 per family plus a free calendar which everyone has enjoyed in their home over

the years. The \$2 fee allows every member of the family to list his or her birthdate in its appropriate square, thus helping the Lion's project plus having a ready reminder printed right there on your own family calendar. Remember the dates, Wednesday, Thursday and Friday, November 15, 16 and 17. For further information telephone Lion Adam Hauptman 599-7550 after 5 p.m.

A meeting will be held on Tuesday, November 14 at Leo Nickerson School to discuss the possibility of forming an XC Ski club. The proposed club will concern itself with:

- 1) XC Ski trails in St. Albert area.
- 2) Coaching clinics on technique and waxing.
- 3) Buying equipment.
- 4) Ski Towing.

For further information, phone Nan Engel at 599-6952 or Peter McCaffery, 599-8704.

If you don't recognize this man,
it's time you saw us about a Cash-flow Loan.

Cash-flow. It's Toronto Dominion's modern way to borrow. Here's how it works.

You're probably basing many of your major expenditures on a cash-flow system right now. For example, you figure how much money you'll have coming in over a period of a year, and how much you plan to spend during the same period.

This difference between income and expenditure is your guide to

the amount you may comfortably borrow.

Cash-flow is the realistic way to borrow because it's based mainly on what you earn, not what you own. If you feel you'd like to get to know Sir John A. a little better, (he's on Canada's new tens) drop in and see your Toronto Dominion Bank Manager, he'll introduce you—the Cash-flow way.

Borrow the TD way... and smile all the way from the bank.

Trustees support 4 basic principles announced by Minister

"The changes in the government's educational principles are right in line with the recommendations of Alberta school trustees, as compiled from an ASTA survey this summer," said Harold Gunderson, president of the Alberta School Trustees' Association. He was commenting on the cabinet's four major principles concerning education announced by the Hon. L. Hyndman, Minister of Education.

"We're certainly pleased that the previous six per cent limitation on the Foundation Program has gone up to 7 1/2 per cent," he said. "With the three year school financing program, and with escalation proposed on a uniform and realistic pattern, the minister's statement falls right in with oft-stated trustee requirements."

The ASTA has for a long time urged a per-pupil instructional grant, Mr. Gunderson added. He said it was a far more equitable way of fund allocation. In fact, he said, it will mean about \$2,000,000 more support for rural and small boards.

Mr. Gunderson had no special quarrel with the Minister's continuing control over supplementary requisitions, "as long as similar controls applied to other government levels. This is what school boards throughout Alberta almost unanimously endorse."

Lowell L. Williams, executive director of the ASTA, strongly supported suggestions by the Alberta Minister of Education that Alberta school boards make greater use of teaching aides, including differential staffing.

"Labor costs are the greatest costs in education," he said, "and the Minister's endorsement of the action of many boards who are starting to use non-professionals and volunteer help in support positions is encouraging to trustees throughout Alberta."

Mr. Williams said that ASTA officers had endorsed much of the government's Worth Report recommendations regarding utilization of media technology. "The Minister has specifically mentioned the Alberta Academy and this concept has been roundly supported by our officials, on behalf of Alberta School Trustees."

Council Roundup

New business tabled at Monday's Council meeting brought forth several interesting topics which, if developed into reality, will surely contribute greatly to the well-being of residents of St. Albert.

Councillor Frank Lukay disclosed that St. Albert Public School District No. 3 was viewing sites in Braeside and Lacombe Park for what might be a junior high school in the near future. Mr. Lukay asked his colleagues an council for their opinion should the town have an opportunity to participate with School District 3 in a school joint use facility. He mentioned that in the proposed school the town could possibly participate, under the Joint Use Agreement in perhaps an arts and crafts facility, a gymnasium or the such. He said the No. 3 System would appreciate knowing the Town's views on the proposal. Councillor John deBruijn endorsed the proposal enthusiastically and added that in such a school as the one proposed, a joint-use library facility would be most welcome.

Council approved unanimously that the proposal be referred to the Special Project Committee.

Councillor John deBruijn observed that laneways in the downtown area were not paved as planned and in view of this, asked his fellow council members if it would be a good idea to install underground wiring in those lanes scheduled for future paving? Council reacted favorably to the suggestion and referred the proposal to staff for estimates and a feasibility report.

Councillor J. J. Bakker was most prolific in promoting important meeting dates scheduled for the near future. His first proposal was for a meeting with St. Albert MLA Ernie Jamison to discuss the Faran Task Force paper. Another meeting urged by Councillor Bakker is for a preliminary budget study. Three other meetings were also proposed by Councillor Bakker one with BACM, another with members of Edmonton City Council. When asked if he was through loading up council's calendar, he nodded in the affirmative. Councillor Bob Hudson remarked something to the effect that Councillor Bakker had probably forgotten to schedule meetings for Christmas Day and New Year's Day . . .

"But I'm sure he'll think of something."

In view of the fact that four vacancies existed on the Preventive Social Services Board and six applications were received for nomination, by secret ballot, with Dan O'Connell, chief administrator acting as returning officer, the following four candidates were declared elected: S/Sgt. J. M. Roy, R. Myrthue, Mrs. Gloria Stacey and Mrs. Marjorie Davis. Other members forming the nine-position board include: R. Gaudin, Mrs. H. Stibbe, R. Bailey, Mrs. M. Munroe and D. Thomas.

The St. Albert Public Library was presented with four books by the St. Albert Baha'i Community on Tuesday, November 7. The presentation was made to the Librarian, Don Mills by Larry Smith on behalf of the St. Albert Baha'i community. The four books included Baha'i World Faith, Release the Sun, Cleanings from the Writings of Baha'u'llah and God Loves Laughter. These books contain translations from the original writings of the founder of the Baha'i Faith, Baha'u'llah as well as a history of the early development of the Faith. This week a collection of Baha'i books are on display in the public library.

Chateau Lacombe Survives AA Meet

The well dressed lady came up to the registration desk at The Chateau Lacombe Friday evening. As she picked up her key she asked the hotel's manager what type of convention was in progress?

"It's an A.A. convention," he replied.

She surveyed the masses of people milling about . . . all 1,200 of them and shook her head while saying, "I sure hope it works . . . because, if they decide to slip off the wagon at the same time . . . lookout."

Well it worked. Delegates attending the 22nd Alberta Conference of Alcoholics Anonymous started their annual weekend program Friday evening which concluded Sunday evening. Guest speakers from Eastern Canada and the United States spoke at public meetings Friday night, Saturday and Sunday. Also participating in a variety of functions

such as open forums, special meetings, closed discussion meetings and so on were volunteers in the field of alcoholism and drug abuse.

Prime topics under discussion included: The Alcoholic and Family; The Alcoholic and Society; Drugs and People, to name a few. The areas of concern centered around Alcoholism The Disease. As one speaker put it, "alcoholism is no longer considered social sin . . . it's a disease like diabetes or any other allergy and ought to be recognized as such." Unfortunately, he added, people who don't know or don't care to study the "booze problem" look upon a heavy drinker as a drunk and let it go at that. "It's not that simple," he said, "that drunk is a sick person and needs help . . . that's where A.A. comes into the picture and we have a big job to do."

At Saturday night's ban-

quet where 1,170 delegates enjoyed a hearty meal, entertainment and eloquent speakers, greetings were brought to the 22nd Alberta Conference from the Province by hon. Neil Crawford, Minister of Health and Social Development and from the City of Edmonton by Alderman Bill MacLean, deputy-mayor.

During the dance following the banquet, many newcomers to the fellowship were overheard to say, "By

golly! I didn't know I could dance sober." The happy, little wife was heard to reply "I didn't know you could either."

Help Veterans - Buy a Poppy

The Poppy is the symbol of Remembrance. It started long ago, even before the First World War ended, when young Canadian soldiers in the battlefields of Belgium noticed wild, blood-red poppies, the only flower growing profusely among the white crosses under which their dead comrades lay buried, as if symbolizing the red, rich blood that was being spilled.

The Canadians brought the poppy home, and it became the symbol for the veterans, and when they formed the Royal Canadian Legion that symbol was forever adopted as the symbol of Remembrance.

Today, many people do not remember; too young to even know the hell of war, the fatality and stupidity of it, and do not know the meaning of sacrifice. But many men still live, who did not pay the full sacrifice when they were young, and many forgotten. Some work in Veterans' Shops, that can, making poppies and poppy wreaths, to be sold each year and placed on war memorials, and worn on lapels. These poppies reach St. Albert and this year as in years before will be given away to man woman and child for any offering.

March Deadline Set For Farmer Trainees

Alberta farmers who would like to provide training for a potential farm worker, under the federal government's training on the job program should contact their local Canada Man-

power office as soon as possible. The hiring period runs from December 1 to March 31.

Under this program Canada Manpower pays 75 per cent of a regular man's wages for the first half of

the training period and 50 per cent for the second half. The minimum training period is six weeks and the maximum is 40 weeks. The average last year was 22 weeks.

To qualify for a trainee, which may be either male or female, the farmer must be able to show that he is capable of training an employee and providing him with adequate living accommodation and that the employee will be working under normal working conditions. Canada Manpower personnel will interview all prospective employers and employees.

Early Childhood Classes Belong to Boards - ATA

Early childhood education systems should be operated by school boards, not community organizations and other public bodies, according to The Alberta Teachers' Association. The association contends that early education programs should be under the direction of qualified teachers and operated in schools.

The teachers, in submitting a brief to the Provincial Cabinet Committee on Education, were referring to the Worth Commission Report and said they endorse the

English Dominates Western Provinces

Mother-tongue statistics for the Prairie Provinces, released by Statistics Canada, present a picture of growing stability in the west. The number of residents naming English as their mother tongue in the three provinces has increased at almost double the rate of the total population increase during the past 10 years.

Since mother tongue is defined as "language first spoken and still understood," it is apparent that the peoples who provided early impetus to western growth through immigration have settled into prairie life to the point where descendants of those early settlers have begun to make English the first language learned by children in their homes.

Of all foreign language groups represented in the 1971 Census report just issued, only Italian shows an increase in usage as mother tongue between 1961 and 1971.

Kriehoff honoured by stamp

"The Blacksmith's Shop"

a painting by Cornelius Kriehoff, is featured on a forthcoming Canadian stamp commemorating the 100th anniversary of the artist's death. The 8¢ stamp will be issued by the Canada Post Office on November 23, 1972.

Born in Europe in the early 1800's, Cornelius Kriehoff emigrated to America in 1837 and thence to Canada nine years later to become one of this country's leading pioneer artists. His career in Canada began

shortly after his arrival in 1846 with the opening of his own studio in Toronto. Two years later Kriehoff moved to the Province of Quebec where he worked for a time in Longueville and Montreal painting landscapes and portraits. In 1853 he moved to Quebec City where he remained for 13 years and did some of his finest work. Kriehoff enjoyed the rare

fortune of becoming a popular and successful painter in his own lifetime. His paintings of habitation life, winter scenes and Indians reflect the happy influence of his life in Quebec. "The Blacksmith's Shop," which was painted by Kriehoff between his return to Quebec in 1871 and his death in 1872, is considered to be one of the artist's best works.

Farm Appraisals O.K.'d By Experts

Re-issued from the District Agriculturist's office.

Is a valuation day appraisal of farm lands necessary for calculating income tax on capital gains?

A member of the Alberta department of agriculture's staff talked to an official of a well-known appraisal service in Edmonton, here are his views on the subject.

"Most landowners who have lived in a district for any length of time are well aware of how their lands compare with other lands in the area, i.e., whether they

are much the same or better or worse."

"Sales which have taken place from say June 1971 through the early months of 1972 are of importance and should be recorded. Any sale in the area is always thoroughly discussed and in great detail, but rumors abound as to the exact selling price and whether or not there were items such as buildings, machinery, livestock, etc., included in the sale. In addition, some sales may not be 'arms-length'; in other words, they may be

between relatives, as exchanges, estate distributions and the like."

"Landowners who maintain firm records of actual sales in the last half of 1971 and early 1972 on an EXACT per acre basis, set up a comparison of the lands sold with their own and ensure that the parties to the sales (on an 'arms-length' basis) and the dates of the sales are recorded, should have little difficulty with the tax department when the need arises for them to show the value of their lands as of December 31, 1971 (Valuation Day)."

"Many landowners' advisers, such as lawyers and accountants, may agree with the approach mentioned above; but the best way of course, to be as sure as

possible, is to have a formal appraisal done by a professionally qualified appraiser, experienced in farm lands. Such professionals are happy to provide evidence of their qualifications through, for instance, the Appraisal Institute of Canada. Great care must be taken to ensure that the appraiser has these formal qualifications because they are acceptable to the tax department."

"Such appraisals can cost the landowner anywhere from \$200 to \$300 plus mileage and other necessary disbursements to \$1,000 or more depending on the size of the holdings and the problems encountered by the appraiser in providing his opinion of value."

Course Offered At Olds

This is an elementary course intended for those who have little or no background in bookkeeping or accounting. It is prepared and organized for the expressed purpose of home study, and the student may proceed through the course

as slowly or as rapidly as he or she wishes. The course is designed primarily for those who are engaged in farming and ranching, but those employed or interested in agri-business will find the course helpful and informative also.

Courses planned in Vermillion

A hog production course designed to provide training in practical hog production for those planning to begin or to expand their hog operation will be offered at the Vermillion College from January 22 to February 23, 1973.

Two one-month study programs in Artificial Insemination, each leading to an Alberta A, E, License, will be offered from March 5-30th and April 9-May 4, 1973. Students may register for either course.

For further information and applications for the above courses, contact W. O. Klatt, District Agriculturist 256-3951.

All About Hog Tattoos

By Wallace Klatt, District Agriculturist.

The Alberta Hog Producers Marketing Board has indicated that about 30 per cent of producers are tattooing their hogs incorrectly. This is significant and it appears that producers should ensure that their hogs are tattooed correctly. The Board reveals that the

following tips will assist:

- 1) Use clean and sound tattooing hammer heads. Use sufficient ink. Check, via a cardboard dummy, that your tattoo hammer is O.K. before you start tattooing. Tattoo left as well as right (mandatory) shoulders.

Keep a complete supply of replacement digits on hand at all times.

If you have someone else tattooing on your behalf, is he giving you value for your money? Next time you ship why not stick around to satisfy yourself that this is so?

Additionally, ensure that the correct number of hogs is shown on the Manifest that accompanies each batch of hogs you ship to plants (get a receipt from the plant or your assembler to verify this).

More Action And Less Talk

By Pat Prymak, District Home Economist.

An article printed in the April 1972 issue of Environment News, tells of the ACTION of the Calgary Project Recycling.

This project started in mid-February of this year and is collecting, sorting and finding markets for common household wastes.

Calgarians are urged to deposit their separated household wastes of glass, paper, metal and cloth at three depots. Depositors are asked to prepare reusable line, removing ends and paper labels and flattening them. They are also asked to clean the jars and bottles and remove any metal rings or tops.

MARKETS:

"PAPER is bundled and shipped to Eko Industries, Calgary, manufactured into roofing material.

"GLASS, sorted by color and crushed, is then shipped to Dominion Glass in Redcliff, near Medicine Hat.

"METAL, e.g., cans, is shredded and sold to a Calgary scrap dealer.

"CLOTH, is made into bales weighing from 400 to

800 pounds and shipped to Vancouver. There it is sorted by a cloth dealer, who sells it to Japanese manufacturers of activated charcoal. Some cloth is also sold for rags.

A Money-Making Venture:

A project employee points out that the money realized from the sale of this material pays for the collection and shipping, but not for salaries.

The project could be making money if industries accepting the material were located in Calgary -- their own community, as freight charges take most of the income.

With this ACTION demonstrated by Calgarians, why not get a few heads in your community together and see if COMMUNITY EFFORT can create CO-OPERATION to start a RECYCLING CENTRE!

What we need is MORE ACTION AND LESS TALK!!

If the salt from the oceans and seas were removed and spread over the Earth's land surface, it would form a layer more than 500 feet high.

Livestock Brands Act On In Force Since Oct. 1

Re-issued from the District Agriculturist's office.

The regulations enforcing the Livestock Brands Inspection Act, passed in the spring of 1971, came into effect on October 1st of this year. The Livestock Brands Inspection Act was passed to provide the Provincial Department of Agriculture with a means of obtaining records of all branded cattle and horses, sold, slaughtered or shipped out of the province.

Under the present regulations anybody who intends to move cattle or horses by truck or on foot to a feedlot or any type of market, must first provide his local brand inspector with a manifest, which is similar to a bill of lading, will be used in the department of agriculture's computerized record keeping system. This system is designed to facilitate the immediate retrieval of brand and sale data throughout the province. Manifests are available, free of charge from any livestock market.

The livestock owner is strongly advised to retain his copy for at least two years in case of any subsequent query or investigation.

gation regarding ownership.

It is now mandatory for the owner of cattle or horses to get a permit to ship them out of the province and have them inspected for brands before they are loaded. Permits can be obtained from any brand inspector. This regulation will enable the department to keep a record of animals that have been exported and to protect Alberta farmers and ranchers against theft.

Unless they come directly from an inspected market, all cattle entering a commercial feedlot must be inspected for ownership either before they leave the owner's premises or upon their arrival at the feedlot. Implementation of this regulation was made necessary by the large number of cattle which go directly into a commercial feedlot without first passing through a market.

Another regulation states that cattle and horses that are brought into a market or custom feedlot for weighing, or a rest period during transit, will be inspected to establish ownership. There will be no inspection charge when no change of ownership is involved. If, however, the animals are enroute to a new

owner, there will be an inspection fee.

Livestock owners selling cattle or horses that have been branded with the owner's registered brand within the last 30 days, or which carry somebody else's brand, must ensure that the brand on which the last transaction was recorded is plainly visible before the animals are presented for inspection at a feedlot or market.

Cattle and horses which have been on the owner's premises for less than 30 days and are sold at a country sale will now have to be inspected by a brand inspector to establish ownership prior to the sale. This pre-sale inspection also applies to farm auctions when the number of head being sold exceed 180.

All cattle and horses which change hands must now be accompanied by a bill of sale, and it is illegal for anybody to sell cattle under a fictitious name. The regulation against using a fictitious name will be rigidly enforced to ensure that the department's computer program is able to maintain an accurate record of livestock sales at all markets.

Treatment Urged For Acidic Soils

Re-issued from the District Agriculturist's office.

Research trials have shown that acidity problems in some areas of Alberta would benefit from an application of lime. These trials were carried out by the University of Alberta and the Beaveridge and Lacombe Research Stations.

Adolph Goettel, head of the provincial department of agriculture's soils branch says that soil acidity problems occur in a large proportion of the grey soil areas, but that they are not necessarily restricted to these areas, nor are all grey soils, high in acidity. The Rocky Mountain House Barriere-Bonnyville area and some parts of the Peace River region have soil acidity problems.

Acid soils have not been of great concern to Alberta farmers in general. However, for the individual who is in an alfalfa growing area, an acidic soil can be a problem, for the cannot grow this crop successfully. Alfalfa is the crop which is most sensitive to acidity. Barley too is sensitive to soil acidity, but less so than alfalfa.

Although the application of lime to the soil is new in western Canada, it has been done for many years in British Columbia, eastern Canada and Europe. There are a number of problems involved in applying lime in the prairies. Agricultural lime is not available in Alberta, but feed or building grade lime can be used. Transportation costs are high for all forms of lime. Mr. Goettel suggests that it may not be economical to apply lime, if it costs more than \$15 a ton. Another problem is the

Bon Accord Centre draws capacity crowds for 25th Anniversary

By Sadie Allen

Good weather and capacity crowds for both nights made the 25th anniversary celebration of the B.A. Community Centre held on November 3 and 4 a resounding success. After enjoying a bountiful meal featuring roast sirloin of beef the crowd danced to the music of Gaby Haas. Preceding the dance and during intermission entertainment was provided by Mrs. Muriel Krauskopf, accompanied at the piano by Art Chaffoux, both of Morinville and Mrs. Hazel Everitt of Edmonton accompanied by Mrs. Verna Morris of Bon Accord. Winners of the door prize were Mr. and Mrs. Schultz of Devon, Mr. and Mrs. Cameron Watson (nee Vera Nelson) were honored as the couple who held the first wedding dance in the building. During the evening birthday greetings were extended to Mae Strawnson and Mary Jane Brown.

A most enjoyable pageant depicting the past 25 years of the Community Centre was presented on Saturday night. Those in charge of the program for successive five-year periods were Mrs. Edith Carleton, Mrs. Lillian Schick, Mrs. Alice Hewitt, Alice Strawnson and Roseanne Lewis, Miss Jean Sloan and for the final portion

tion all the present community centre board.

The celebration planning committee, Mr. Keith Everitt, Mrs. Jean Chubb, Edith Kowalski and Linda Bland and Miss Jean Sloan, wish to extend their thanks to all those fine people who contributed to the success of the occasion: the Ladies Community Club planned and prepared the banquet and lunch; Decorating Committee members were Shirley Bland, Marilyn Carleton, Rita Milligan and Judy Everitt. Thanks also to all the participants in the program, with a special thanks to Mr. and Mrs. Bert Pearce of Edmonton and Son Gib,

the square dancers from Naino - Mr. and Mrs. Roy Davis, Mr. and Mrs. Jack McLeay, Mr. and Mrs. Art Carlson, Mrs. Mitchell and Mr. Howard Samis, and to Rev. Roy Chubb, Mrs. Marion Nicholson's dancing class - and Marion herself, Rita Milligan and Gail Critchley entertained the crowd with a number of dance routines.

To close out the program a beautiful scroll - the work of Mrs. Alice Goulet - was presented to the present Community Centre Board by members of the first board, Charles Lewis, Jack Milligan and Hugh Allen.

LEGAL LOCALS

By Lucienne Montpitt
On November 24 the public is invited to attend a social evening in honor of Sister Dorilla Simard who has been teaching school in Legal for 25 consecutive years. Sister Aurora Blanchette has also taught 25 years in Legal, although she left for several years and returned. These two devoted teachers have taught a great number of people, and this special occasion was planned to enable anyone to come and renew acquaintances with their former teachers. The evening will begin

with mass at 7 p.m., when Bishop Raymond Roy will be present. A social evening will follow at 8 p.m. at the Community Hall.

This evening in honor of the Sisters is organized by the Parish Council, Legal School Board and the students.

The Knights of Columbus will hold their installations of officers on November 10 followed by a Wine and Cheese.

Choir practices will be held every Wednesday till Christmas. Everyone is urged to attend.

Mrs. Marie T. Larose is a patient in the Sturgeon General Hospital.

Mr. Normand Letourneau of Legal, Alberta is attending the 68th annual meeting of United Grain Growers Limited in Regina, November 8 and 9. During the convention, farmer-delegates from Manitoba, Saskatchewan, Alberta and the Peace River block of B.C. will debate some 60 resolutions on farm policy. The resolutions, submitted by local boards, cover such things as grain marketing and quota system, grain elevator rationalization, labor problems at terminal elevators and farm unions.

Mr. and Mrs. Leo Provençal and family spent the weekend in Red Deer where they visited Roland Provençal and attended the annual October Fest.

The annual chicken supper and bazaar will be held on Sunday, Nov. 26. Everyone is welcome.

Attending the Old Timers banquet in Westlock were Mr. and Mrs. Alberta Fortier and Mr. and Mrs. Wilfred Provençal.

Mr. and Mrs. Wilfred Seguin who are now residing in Westlock are enjoying an extended winter holiday in the south.

By Jeanne Laplante

Attending recreation sessions at Camp He Ho He under the auspices of the Westlock Recreational Board are Mrs. Helen Joly, Lillian Blodreau, Marlene Sabourin.

Mrs. M. B. St. Arnaud, pioneer of the district is now residing at the Legal Chateau.

Presently hospitalized are Rev. A. Desjardins, Alec Cyr and Richard Provençal. Speedy recovery wishes.

Sincere condolences are extended to Mrs. Alberta Fortier upon the recent loss of her sister, Mrs. Edward Mercier.

Recent visitors at the Gagne and Blodreau families over the weekend were Mr. and Mrs. Alphonse Gagne from St. Paul.

BON ACCORD ACTIVITIES

By Sadie Allen

Over 200 young people, from toddlers to teens, enjoyed the hallowe'en party held in the Bon Accord Community Centre on Tuesday, October 31. Costumes were judged and first, second and third prizes awarded to eight different groups. A token prize was presented to each child in costume. Judges were Mrs. Birdie McDonald, Mrs. Ann Gelger and Mrs. Dolores Franchuk. A puppet show presented by Mr. Syd Gray of Edmonton and a colored movie provided the entertainment. Each child received a bag of treats.

A \$15 cash donation was made to UNICEF from money collected. The hallowe'en party committee is comprised of Rose Ruth, Mary Jane Brown, Irene Deedman, Doreen Irmen, Doreen Zandran and Donna Fleming. They wish to thank all those

district and village residents for their monetary support with a special thank you to Mary Kryskow, Judy Cunningham and Marj Kelly who helped with the cleaning up. From the village and district, a big thank you to a group of ladies who came up with a great idea.

Spooky Sales

What Christmas has done for the fir tree, candy cane and Thanksgiving for the turkey, Hallowe'en has done for candy kisses, pumpkins, and outlandish costumes and masks. Like every other major festivity, it also has its own brew of greeting cards for both adults and children says The Financial Post. However, Hallowe'en manufacturers maintain a ghostly silence about sales, fearing their competitors may spoof them. They also make other holiday or game items because Hallowe'en, as a short and mainly children's event, naturally is not

as big a money earner as other festive events. One extremely important area, though, where Hallowe'en is a major financial contributor is in the collection of money by children for Unicef. National collecting in Canada for Unicef started in 1955, when \$15,000 was gathered. By last year, this had jumped to \$765,000.

Rural Recreation

By Marilyn Wyllie
Basketball seasons here, and the Sturgeon Recreation Department is in the process of organizing a senior men's and senior women's basketball league. Basketball is a great opportunity to strengthen those out of shape muscles, and a great sport for

team co-operation and spirit. Can you think of a better way to spend an enjoyable evening? Then let us know you care, and we will get these leagues organized, and get the ball rolling. Interested people please contact me at this office - 424-6276 or 256-3322 before Nov. 15.

Also, a ski club for the

active, and golf instruction for the not-so-active are in the process of organization, so get interested, and be a participant!

Marilyn Wyllie is presently working with the Sturgeon Recreation Department under Carl Royan. She has a diploma in Outdoor Recreation and Conservation Education from the Lethbridge Community College. She has worked with youth groups and this past summer conducted a horsemanship program for young people in Lethbridge. Marilyn is in charge of athletics, so if you have any athletic programs you would like for your community, feel free to contact her at the MD of Sturgeon Recreation office.

Thank You

to everyone who worked hard in my campaign, to every supporter, to everyone who voted "PC" my sincere thanks. Your efforts made our success possible.

To every resident of Pembina Constituency: I will make every effort to represent you to the very best of my ability.

MORINVILLE MEMOS

By Rose Martel

The Morinville Branch of the Canadian Legion No. 176 extends a special invitation to all veterans in Morinville and district, to come and participate in the local Remembrance Day Observance Saturday, November 11 at the Legion Hall at 9:45 a.m.

The indoor service will begin at 10 a.m. with chaplains from the Catholic and Protestant churches participating. At 10:30 a.m. the outdoor parade, headed by the Morinville Drum and Bugle Band, Veterans and families, Civic Leaders, Scouts and Cubs, Guides and Brownies and Morinville Lions taking part. On the return to the Legion Hall, the 11 a.m. two minutes of silence will be observed by the Legion cenotaph, with the laying of wreaths by various groups.

The first Harvest Feast held in the Morinville Arena drew a crowd of about 190 last weekend. The sponsors thank those who supported the new community project, and hope that next year district community groups will choose separate dates that do not conflict with each other.

The St. Charles annual parish supper will be held in the Mearns Community Hall, on Sunday, November 26. This year family group supper tickets may be purchased for the total sum of \$7. This is the place where home-cooking is excellent, including home-made buns, and bread.

Mr. and Mrs. Maurice Reid left for Phoenix Arizona last weekend for the winter months.

Among those reported in hospital recently were: Mrs. Arthur Bachand, Madeline Bouwens, Mary Yvonne Willey and Pamela Boisjoun.

The community was saddened this past week by the death of three former residents:

BOB EVERETT: 97, died suddenly in Gresham, Oregon, on October 25. He was the son of Mr. Georges and the late Mrs. Everett (former NAR station master in Morinville). Funeral services were held in Gresham Oregon. He is survived by his widow, Peggy, and two sons, Bobby and Tommy; his father, Georges Everett, in Queen Charlotte City, B.C.; six sisters and three brothers.

MRS. CECILE MERCIER: 67, mother of Mr. Leo Mercier of Morinville also died suddenly at home in Legui, October 26. She is survived by her husband Edouard in Legui, and also one daughter Mrs. Annette Champagne of Morinville.

TOM CONNICK: 52, of Calgary, husband of Noella Morissette, died last Saturday, November 4 at his home. He is survived by his wife and eight children in Calgary. To all the bereaved families a sincere expression of sympathy.

Congratulations to a new bride and her husband, Mr. and Mrs. Georges Larocque 81 and 83 respectively, who were married October 26. They have been lifetime friends, having been acquainted since 1910. The groom, formerly of Magog, P.Q. was foreman for Bell Telephone in the east for 15 years and later became a farmer for 30 years, and raised a family of eight children in LaBelle Province, before the death of his first wife some years ago. The bride is the former Eva Montpeller of Morinville, who married here as a young bride the late Henri Desnoyers and raised a large sized family on a district farm. She later became the first bride in Youville Senior Citizen's home when she married another guest here, Mr. Denis Goulet.

After the sudden death of her second husband, Mr. Goulet continued to live in Youville. Recently, Mr. Georges Larocque came west to visit his son, Marcel and family in St. Albert. He visited his old acquaintance friend, Eva, and three weeks later the wedding bells rang in St. Albert R.C. Church for the happy couple Jean Louis Desnoyers from Edmonton, accompanied his mother to the altar, and the groom was attended by his son, Mr. Marcel Larocque

of St. Albert. A reception for 80 followed in the R.C. Church basement for the happy couple, Mr. and Mrs. Larocque have rented an apartment in St. Albert. Everyone wishes the happy couple many more years of wedded bliss.

Jack Middleton, 12, son of Mr. and Mrs. Armar Middleton of Morinville was the lucky winner of the coloring contest, held at the opening of Morinville Super A Foods Store. He was presented with a spanking new 10 speed bicycle by Mr. Georges Chan recently.

Mrs. Patricia Krauskopf recently returned from a flying trip to Kelowna, B.C., where she visited her daughter Gail Lackie and family.

The children of Morinville and district 6-12 years age group enjoyed the Halloween party sponsored by the Morinville Recreation Board members and group of local mothers, who help organize and supervise this event. Some 561 bags of goodies were distributed to all corners, and 45 cash token prizes were donated. Several local groups donated to support this new community project, and it is hoped it will become a successful annual event in Morinville.

A vote of thanks is extended to all the teen-agers who volunteered to help and were so good as to clean up the same evening.

Recently, Sunday shows, began to be sponsored in the Recreation Centre, "American Wilderness" an excellent family show, was shown, but not enjoyed by adults who paid \$1.75 admittance. During the entire show young children and teen-agers were disturbing the audience, and were insulting to senior citizens, who tried to request some type of order. Many complaints have been voiced about lack of supervision at the Centre, for any kind of social or show. Parents are responsible for the conduct of their youngsters at all times, and the hall committee may look into these legitimate complaints, now that the matter

has become a public concern to all patrons of the Centre.

Corporal Robert Shepard local RCMP officer, in charge of the MD of Sturgeon detachment, Morinville reported that, no serious pranks were reported or investigated in Morinville or other parts of the district Halloween night. The only serious injury was in Gibbons, where Shannon Mabbutt, 15, was hit while walking on the street in Gibbons by a hit and runner, who lost control of his car, mounted the sidewalk, and hit Miss Mabbutt. She is reported to have suffered compound fracture of the knee, cuts and bruises and now recovering in the Royal Alex hospital. Local RCMP are investigating the accident.

Mr. Raymond Houle is a business visitor in Montreal this week, attending a Sidi-Dou Sales promotion seminar.

Two former old typeshows homes are to be restored to their former elegance by their new owners. The large brick house, located just north of the NAR tracks on the southern outskirts of Morinville, recently purchased by Mr. and Mrs. Harve Atkinson, will undergo a complete renovation job inside and out. Mr. and Mrs. Ewald Carlson have purchased the former Crosstiere big brown house in the west end of town, and they too will restore this former beautiful home, to the dignified mansion that it was once long ago.

Mrs. Mary Hepler was a Morinville visitor last week and a guest at the home of Miss Theresa Kleiser. While in Morinville she visited many old friends and neighbors. She announced the sale of her former large brick home, located across from the Morinville Hotel to a businessman from St. Albert, who intends to open a business office there, after the new year.

I voted for Smith. Why do you know Smith? No - but I know Jones.

GIBBONS NOTES

By Gladys Morin

A very impressive ceremony in Guiding was held November 1st at the Legion Hut as four brownies flew up to guides and three brownies walked up. As each brownie flying up left her Fairy Ring she cut a ribbon to enter the Guides Horseshoe, upon entering she then retied the ribbon with a reef knot. Each girl was then welcomed by Guide leaders Mrs. Avis Hood and Mrs. Shirley Masear. The four girls that received their wings were Wendy Osmond, Lynn Morin, Annette Lamoureux and Tanya Smith. The three girls walking up were Darlene Steele, Kim Mitchell and Darrylle Shaeffer. Mrs. Edna Noel, district commissioner, welcomed the girls into the second phase of guiding and wished them much success in their endeavor. The guides served a lunch to all the mothers and guests present.

There will be a Remembrance Day Service at the Community Hall, Saturday, Nov. 11. Parade to the cenotaph at 10:30 with service following.

Coaches are still required for some age groups in hockey. If you are willing to help with any age, please phone Ken Wood at 799-3882.

Belated birthday greetings to Harvey McLean who celebrated his 83rd birthday November 2.

Get well wishes to Susie Allison, Tommy Kampjes, Mavis Boisjoli, Shannon Ma-

bullit, Wayne Boetiger and Bernice Knott who are either in hospital or now home recuperating.

The United Church in Gibbons wishes to announce regular services beginning November 19, 1972 at 7:30 p.m. (evening). Rev. Frank Lough, officiating.

Vimy Needles News

The October 28 meeting of the Vimy Needles 4th Sewing Club was opened with O'Canada and the pledge, led by Darcy Didier and Rosanne Dubois.

"Go Change the World" Theme of ceremonies for Vanier Grads

With the theme "Go Change the World," the graduation ceremonies for Vanier High School started at St. Jean Baptiste Church, Morinville, with a mass celebrated for the graduands. The grand march was played by Miss Carmen Boissonnault for the 23 graduands. Miss Bernice Chalfoux read the epistle in English and Mr. Rene Leduc read the Epistle in French. After the ceremony, many grads commented that Miss Carmen Boissonnault played beautifully.

Following the mass, cocktails were served from 5:30 to 6:15 at the Recreation Centre, put on by Karen Weston, for all who would attend the banquet.

Present at the head table for the banquet were, Mr. and Mrs. Ed Kryskow, Miss Sherry Kryskow, president Senior Student's Union, and escort, Mr. Raymond Bauwens, vice-president of Senior Student's Union, and escort, Mr. and Mrs. Art Stapleton; Mr. Anton Rustemeier, guest speaker; Miss Lynne Champagne, chairman of the graduation committee, and escort; Mr. Paul Chalfoux, acting principal, and wife; Mr. Marcel Schayes, and wife; Mr. Wilfrid Fitzpatrick, senior principal; and wife, Mr. Paul Chalfoux made a toast to the graduands and Miss Claire Himeschoot replied on

their behalf. Mr. Rene Leduc made a toast to the parents and Mr. Joseph Leduc replied. Mr. Terry Wojtkiw made a toast to the school board, and Mr. Guy St. Germain replied. Mayor Art Stapleton directed a speech to the graduands commenting on this year's theme "Go Change the World." The important message of his speech was not to change the world for the sake of change, but rather because a change is needed.

Graduation exercises were held in the gymnasium of Georges P. Vanier School. Masters of ceremonies were Miss Sherry Kryskow and Miss Lynne Champagne. To start off the exercises a grand march was played by Carmen Boissonnault and the graduands paraded in. The former Grade 9's received their graduation scrolls from Mr. Wilfrid Fitzpatrick. Mrs. Yvonne Leduc presented a cheque of \$25 on behalf of the Femmes Chretiennes, to the student who had achieved the highest mark in the highest level of advanced French. Honorable mention went to Carmen Boissonnault, 80%, and the winner was Claudette Tailleux, with 85 per cent.

Mrs. Mary Hiltinger presented an award on behalf of the Catholic Womens League. This year there was a tie and the winners were,

Denis Boissonnault and Francis Morris, each receiving a cheque for \$25. The Alberta Teacher's Association, grade nine pin was awarded by Mr. Marcel Schayes to Andre Tailleux who had the highest average in Grade 9.

Trophies were presented for the highest grade average in Grades 9 to 12 by Mrs. Yvonne Leduc. The winners were, in Grade 9, Andre Tailleux; Grade 10, Darlene Van Brabant; Grade 11, Walter Meyer, and in Grade 12, Sharon Van Brabant.

Grade 12 subject awards were presented in Chemistry 30, French 30, Special Projects - Automotives, Math 30 and English 30. All were cheques to the amount of \$25.00.

The Math 30 award was presented by Mr. Marcel Schayes on behalf of Mr. and Mrs. Georges Schayes, to Mrs. Theresa Pelletier. The Chemistry 30 award was presented by Mr. and Mrs. Norman Chalfoux to Sharon Van Brabant.

The French 30 award was presented by Mr. and Mrs. Camille Gregoire to Annette Gervais.

The Special Projects -

By Norma Crozier

The Namao Hi-C Group will be sponsoring a service on November 11 at 8 p.m. in the Community Hall. The service will be presented by Teen Challenge of Edmonton. Everyone is welcome to attend.

STUDENTS AWARDS

The Sturgeon School Division held its annual Awards Night at Sturgeon Heights School on October 26 at which many people from Namao were honored: John Capstick, Deborah Rye and Bonnie Salgo. The Namao FWA Grade XII Scholarship of \$50 was presented to Audrey Gibson who had an average of 77.8 per cent.

Long Service Awards were presented to: Teachers - Thomas Fink, 20 years; William Tanastuk, 20 years; Bus Operators - John C. Crozier, 25 years; Roy Davis - 25 years; William Automotives award was presented by Mr. Albert Ouellette to Mr. Raymond Bauwens.

The English 30 award was presented by Mr. Joseph Soper to Mr. Glen Behells.

Mr. Roger Blackburn, on behalf of the school board presented a scholarship of \$100 to Shawn Van Brabant.

The valedictory speech was delivered by Sharon Van Brabant and she had what could have been a disastrous moment. She forgot one of her cue cards, but her poise and charm soon overcame the moment and she received a warm round of applause. Her speech thanked all the parents and teachers for all they had done in the past to make this day possible.

Mr. Anton Rustemeier delivered a speech with much meaning to it. He is a former student of Vanier and is now studying Law at the University of Alberta.

The choir, directed by Karen Weston, sang three songs: The Windmills of Your Mind, Les Bicyclettes de Belsize and the Fifty-Ninth Street Bridge Song (Feeling Groovy). They received a warm round of applause.

Celine Beland introduced the graduands and Mr. Marcel Schayes handed them each a scroll and Miss Alice Wojtkiw gave them each a ring on behalf of the school board.

The evening was rounded off by a dance at the Centre from 9 to 1 with The Satellites playing.

NAMAO NEWS
